

College of Graduate Studies

April 4, 2024

Dear Jinlong Li,

It is my distinct pleasure to inform you that you were selected to receive the Outstanding Achievement Award for Doctoral Research in Natural Sciences, Engineering, and Mathematics. This award recognizes and rewards graduate students for sustained and substantial research and creative scholarship contributions in their field of study. The monetary prize associated with this award is \$500 (five hundred dollars). The reviewers were extremely impressed with your work and wish you continued success in your research and other professional endeavors.

A plaque to commemorate the award will be presented to you at the Graduate Student Awards Ceremony and Reception, where award recipients and honored guests will recognize the award winners and celebrate their accomplishments. The ceremony and reception will take place Thursday, May 9, 2024 at 1-3 p.m. in the Fenn Tower Ballroom. More information will follow closer to the date.

Congratulations on being selected for this prestigious award!

Best Wishes,

Bill D. Kosteas, Ph.D.
Dean, College of Graduate Studies
